

Delmarva GRITS

December to Remember with Elizabeth Lanier

Warrington Sporting Clays

Girls Really Into Shooting - Is an organization created by women, for women. The purpose of GRITS is to foster and encourage women to participate in shotgun sports by introducing them to the sport in a non-competitive, fun and safe atmosphere with like minded women. Beginners are encouraged, share this with your friends. One does not need to be a GRITS member to attend their 1st or 2nd GRITS event.
